

What Our Guests Are Saying...

Crafthouse Wedding Reception, June 2023: "A HUGE THANK YOU for our wedding dinner at Crafthouse! When we arrived at Crafthouse, I was so blown away by how the private dining room looked – it looked amazing in person. You really did bring what I had envisioned to life and I'm so grateful. We received loads of compliments from our guests on the food and service throughout the dinner – it was excellent! The entire menu was delicious and the staff at Crafthouse made all of us feel really well taken care of throughout our dinner. We especially would like to compliment the service given by our waiter, Adrian, who was in charge of the private dining room that night – he coordinated with us to ensure all the courses were sent out at the right time and even helped us cut our wedding cake. Overall, I really commend the quality of the service and the professionalism shown by the staff at Crafthouse from when we began planning our wedding dinner, to the day itself. We also appreciate the restaurant working with us to resolve any issues our guests had with food intolerances and the menu, it really made such a difference to us. It was definitely a day that both of us will cherish!"

Crafthouse Drinks Reception and Private Dining Room, June 2023: "Thank you both so much for all of your help and support with the bookings and the final preparations for the dinner. Everyone was very impressed and really enjoyed the food and atmosphere. Eve was beyond helpful, with such a lovely and professional customer service, a massive credit to the Crafthouse team! Jackson made you feel like a VIP and helped with all information without even asking questions. Everyone was incredible and all deserve recognition for their hard work."

Crafthouse Restaurant Group, June 2023: "A HUGE thank you to you and all the team for making last night's client dinner event such a success! A wonderful time was had by all, and plenty of comments on how delicious the food and drink was and how attentive the staff were! It's been so lovely working with you and nothing has been too much trouble, even though I'm sure I've sent you some pretty weird and wonderful requests, I really can't thank you enough!"

Angelica Bar Hire, June 2023: "I want to say a huge thank you for your hospitality – from the venue, to the Rose Lychee Martini's, to the canapes (particularly the duck), to the warm welcome from all of the team, it could not have been more perfect for our first live event in 12+ months. The feedback from the guests who joined us was glowing and I genuinely want to say how very grateful we are for your support to us. It felt very special to host the event in Angelica. I know several people were saying they can't wait to go back to the venue and enjoy it even more!"

Crafthouse Private Dining Room, November 2023: "Just wanted to say thank you so much for hosting us, it was a lovely evening, the food was great, all the orders and name settings were perfect and we were very well looked after. I never caught the name of the girl who was taking care of us but she was very patient when we asked her for photos (lots of them) and she was just the right level of attentive topping up our drinks and bring out the courses etc. Please do send her our thanks for taking care of us she did a wonderful job. Hope to join you again in the future."

Crafthouse Wedding, November 2023: "Victoria and her team went above and beyond throughout the entire process of our event to make it as special as it could be. The process was explained clearly by Victoria and she met with us on multiple occasions to plan the day of our dreams. She listened to all of our ideas and delivered them flawlessly. On the day, the team (led by Victoria) were fantastic. There were multiple spinning plates - tight timings to be kept, vendors to work with and a 3 course meal for our 100 guests and then evening food for 150 people but this didn't phase them. A big thank you to Chef Simon as his food was highly complimented by everyone, and we were so appreciative for him working with us to make 'Mcmarrried' with the most delicious Big Mac sauce on our burgers. The drinks were perfect and the service by the staff for our guests was superb and personal throughout. Overall the experience was perfect, we couldn't have asked for anymore from Victoria and Crafthouse. We will forever be grateful for them for helping us create the day of our dreams."
